Donna,

Please be advised of the following information. These locations are those than have come from your office and ones through Metro Call. All trees are on the public right of way. The ones that I have looked at, and included in this email, are those that we did not have funds to address. Please let me know if you have any questions. Also, let me know when to give the contractor an order to proceed with the work. Thanks Donna for your assistance. I am sure the neighborhoods will be grateful.

Donna,

I failed to put on the list that I sent you. These are the tree planting cost estimates for S. 6<sup>th</sup> and Garvin Place that you asked me to include.

*	4 – sidewalk cuts needed at 1203 – 1207 S. 6 <sup>th</sup> St.:	<u>4@\$225.00</u> = \$900.00
*	4 – 2" Serviceberry trees for the above site:	<u>4@\$188.00</u> = \$742.00
*	1202 W. 6 <sup>th</sup> St.:	1 – 3" Allee Elm (not enough room for two) - \$368.00
*	1220 S. 6 <sup>th</sup> St.:	1 – 3" Allee Elm (not enough room for two) - \$368.00
*	1226 S. 6 <sup>th</sup> St.:	no room for a tree
*	1235 Garvin Place:	1 – 2" Japanese Pagoda Tree - \$268.00
	<b>TOTAL:</b>	<b>\$2,646.00</b>

Let me know if you want to add this on to the list of removals! If so, the grand total would be \$24,546.00.  
 Thanks Donna, hope you had a nice trip to St. Louis.
